ARTICLE 7 **ARCHITECTURAL CONTROL**

Section 7.01. Purpose, Powers, and Duties of the ARC. The purpose of the ARC is to assure that any installation, construction, or alteration of any Residence or Structure on any Lot will be submitted to the ARC for approval (i) as to whether the proposed installation, construction, or alteration is in conformity and harmony of external design and general quality with the existing standards of the Subdivision and the Design Standards, (ii) as to the location of Residences and Structures with respect to topography, finished ground elevation, and surrounding Residences and Structures, (iii) to oversee the maintenance of the Common Areas, and (iv) to assist in enforcing the rules and regulations regarding trash, repairs, cleanliness, and other covenants contained under Article 4. To the extent necessary to carry out such purpose, the ARC will have all of the powers and duties to do each and everything necessary, suitable, convenient, or proper for, in connection with, or incidental to the accomplishment of such purpose, including, without being limited to, the power and duty to approve or disapprove plans and specifications for any installation, construction, or alteration of any Residence or Structure on any Lot.

Section 7.02. Operations of the ARC.

(a) Meetings. The ARC shall consist of three (3) Members of the Association. The ARC will hold meetings as may be established by the ARC. Meetings of the ARC will be held at such time and at such place as the ARC will specify. Two (2) ARC members shall constitute a quorum. At any meeting a quorum is required. The ARC will maintain both a record of votes and minutes for each of its meetings. The ARC will make such records and minutes available at the Board meetings. Any action required to be taken at a meeting of the ARC, or any action that may be taken at a meeting of the ARC, may be taken without a meeting if written consent, setting forth the action so taken, will be signed by all the members of the ARC and be filed with the minutes of the proceedings of the ARC. Such consent will have the same force and effect as a unanimous vote, and may be stated as such in any document filed by the ARC. Consent shall be allowable by email.

(b) Activities.

(i) The ARC may adopt and promulgate the Design Standards described in Section 7.03 hereof and will, as required, make findings, determinations, rulings, and orders with respect to the conformity with said Design Standards of plans and specifications submitted for approval to the ARC pursuant to the provisions of these By-Laws. The ARC will, as required, issue permits, authorizations, or approvals that may include specific requirements or conditions, pursuant to the provisions of these By-Laws.

(ii) Any two (2) or more members of the ARC may be authorized by the ARC to exercise the full authority of the ARC with respect to all matters over which the ARC has authority as may be specified by resolution of the ARC, except with respect to the adoption or promulgation of the Design Standards. The unanimous action of the two (2) or more members with respect to the matters specified will be final and binding upon the ARC and upon any applicant for an approval, permit or authorization, subject, however, to review and modification by the ARC on its own motion or by the applicant to the Board as provided in this paragraph. Written notice of the decision of such two (2) or more members will, within five (5) working days thereof, be given to any applicant for an approval, permit, or authorization. The applicant may, within ten (10) days after receipt of notice of any decision that he deems to be unsatisfactory, file a written request to have the matter in question reviewed by the Board. Upon the filing of any such request, the matter with respect to which such request was filed will be submitted to, and reviewed promptly by, the Board, but in no event later than thirty (30) days after the filing of such request. The decision of a majority of the members of the Board with respect to such matter will be final and binding.

Section 7.03. Design Standards.

(a) The ARC may from time to time adopt, promulgate, amend, revoke, and enforce guidelines (the "**Design Standards**") for the purposes of:

(i) governing the form and content of plans and specifications to be submitted to the ARC for approval pursuant to the provisions of these By-Laws;

(ii) governing the procedure for such submission of plans and specifications;

(iii) establishing guidelines with respect to the approval and disapproval of design features, architectural styles, exterior colors and materials, details of construction, location and size of Residences and Structures and all other matters that require approval by the ARC pursuant to these By-Laws; and

(iv) assuring the conformity and harmony of external design and general quality of the Subdivision.

(b) The ARC will cause the Design Standards to be filed of record in the Official Public Records of Dallas County, Texas, and will make a copy of same readily available to Members and prospective Members of the Association and to all applicants seeking the ARC's approval.

Section 7.04. Submission of Plans and Specifications. No Residence or Structure will be commenced, erected, placed, moved onto, or permitted to remain on any Lot, nor will any existing Residence or Structure upon any Lot be altered in any way that materially changes the exterior appearance of the Residence, Structure, or Lot, unless plans and specifications therefor are in such form and contain such information as may be reasonably required by the ARC in the Design Standards, including, without being limited to:

(a) a site plan showing the location of proposed and existing Residence and Structures on the Lot including building setbacks, open space, driveways, walkways, and parking spaces, including the number thereof, and all siltation and erosion control measures;

(b) a foundation plan;

(c) exterior elevations of proposed Residence and/or Structures and alterations to existing Residence or Structures, as such Residence or Structures will appear after all back-filling and landscaping are completed;

(d) specifications of materials, color scheme, lighting scheme, and other details effecting the exterior appearance of proposed Residence and Structures and alterations to existing Residence or Structures; and

(e) plans for landscaping and grading.

Section 7.05. Approval of Plans and Specifications. Upon approval by the ARC of any plans and specifications submitted pursuant to these By-Laws, two (2) copies of such plans and specifications, as approved, will be deposited for permanent record with the ARC and a copy of such plans and specifications bearing such approval, in writing, will be returned to the applicant submitting the same. Approval of any plans and specifications will not be deemed a waiver of the ARC's right, in its discretion, to disapprove similar plans and specifications or any of the features or elements included therein if such plans, specifications, features, or elements are subsequently submitted for use in connection with any other Lot. Approval of any such plans and specifications, however, will be final as to that Lot and such approval may not be revoked or rescinded thereafter, provided that there has been adherence to, and compliance with, such plans and specifications, as approved, and any conditions attached to any such approval.

Section 7.06. Disapproval of Plans and Specifications. The ARC will have the right to disapprove any plans and specifications submitted pursuant to these By-Laws because of any of the following:

- (a) the failure to include information in such plans and specifications as may have been reasonably requested;
- (b) the failure of such plans or specifications to comply with these By-Laws or the Design Standards;
- (c) any other matter that, in the judgment of the ARC, would be likely to cause the proposed installation, construction, or alteration of a Residence or Structure (i) to fail to be in conformity and harmony of external design and general quality with the standards for the Subdivision as set forth in the Design Standards, or (ii) as to location to be incompatible with topography, finished ground elevation and surrounding Residences and Structures. In any case in which the ARC disapproves any plans and specifications submitted hereunder, or approves the same only as modified or upon specified conditions, such disapproval or qualified approval will be accompanied by a statement of the grounds upon which such action was based. In any such case the ARC will, if requested, make reasonable efforts to assist and advise the applicant in order that an acceptable proposal may be prepared and submitted for approval; or
- (d) failure to comply with city, county, and/or state law or ordinance.

Section 7.07. Obligation to Act. The ARC will take action on any plans and specifications submitted as herein provided within thirty (30) days after receipt thereof. Approval by the ARC, if granted, together with any conditions imposed by the ARC, will be placed in writing on the plans and specifications and will be returned to the applicant. Failure by the ARC to take action within thirty (30) days of receipt of plans and specifications submitted for approval will be deemed approval of such plans and specifications.

Section 7.08. Violations. If any Residence or Structure will be erected, placed, maintained, or altered upon any Lot, otherwise than in accordance with the plans and specifications approved by the ARC pursuant to the provisions of this Article, such erection, placement, maintenance, or alteration will be deemed to have been undertaken in violation of this Article and without the approval required herein. If in the opinion of the ARC such violation has occurred, the ARC will notify the Association and the Association will take appropriate measures to correct the violation.,

Section 7.09. Certification of Compliance.

(a) Upon completion of the installation, construction, or alteration of any Residence or Structure in accordance with plans and specifications approved by the ARC, the ARC will, upon written request of the Owner thereof or upon the ARC's own initiative, issue a Certificate of Compliance, identifying such Residence or Structure and the Lot upon which such Residence or Structure is placed, and stating that the plans and specifications have been approved and that such Residence or Structure complies with such plans and specifications. A copy of said Certificate will be filed for permanent record with the plans and specifications on file with the ARC and the Board.

(b) Any Certificate of Compliance issued in accordance with the provisions of this Section will be *prima facie* evidence of the facts therein stated; and as to any purchaser or encumbrancer in good faith and for value, or as to any title insurer, such Certificate will be conclusive evidence that the Residence and all Structures on the Lot comply with all the requirements of this Article. Provided however, that the Certificate will in no way be construed to certify the acceptability, sufficiency, or approval by the ARC of the actual construction of the Residence or Structures or of the workmanship, or to represent or warrant to anyone the quality, function, or operation of the Residence or Structures or of any construction, workmanship, engineering, materials, or equipment. The issuance of the Certificate will in no way be construed to certify to any party that the Residence or Structures have been built in accordance with any applicable rule or regulation.

Section 7.10. Fees. The ARC may not impose and collect a fee to cover the cost of review of plans and of inspections performed pursuant to this Article.

Section 7.11. Nondiscrimination by ARC. The ARC will not discriminate against any applicant requesting its approval of plans and specifications because of such applicant's race, color, sex, religion, age, or national origin. Further, the ARC in the exercise of its powers granted pursuant to these By-Laws will not take any action the intent or effect of which is to discriminate against persons of a particular race, color, sex, religion, age, or national origin.

Section 7.12. Disclaimer as to ARC Approval. Plans and specifications are not reviewed for all systems, mechanical, plumbing, electrical, engineering, or structural design or quality of materials, and by approving such plans and specifications neither the ARC, the members thereof, nor the Association assumes liability or responsibility therefor, nor for any defect in any Residence or Structure constructed from such plans and specifications. Neither the Association,

the ARC, the Board, nor the officers, directors, members, employees, and agents of any of them will be liable in damages to anyone submitting plans and specifications to any of them for approval, or to any Owner of property affected by these restrictions, by reason of mistake in judgment, negligence, or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications. Every person who submits plans or specifications and every Owner on whose behalf plans or specifications are submitted agrees that he will not bring any action or suit against the Association, the ARC, the Board, or the officers, directors, members, employees, and agents of any of them to recover any such damages and hereby releases, quitclaims, and covenants not to sue for any claims, demands, and causes of action arising out of or in connection with any judgment, negligence, or nonfeasance, and hereby waives the provisions of any law that provides that a general release does not extend to claims, demands, and causes of action not known at the time the release is given.

ARTICLE 8 **ASSESSMENTS**

Section 8.01. Authority. The Association may levy Assessments to be used to promote the recreation, health, safety, and welfare of the residents in the Subdivision, to fund operating expenses of the Association, and to improve, repair, maintain, and replace the Common Property. Such use may include, but is not limited to, security, the acquisition, construction, improvement, maintenance, insuring, and equipping of the Common Property, maintenance of improvements or landscaping that are designated by the HOA to be maintenance obligations of the Association, the enforcement of the restrictions contained in these By-Laws, the enforcement of the Design Standards of the ARC, the ARC's decision, the payment of operating costs and expenses of the Association including, without limitation, any ad valorem real and personal property taxes on any real and personal property owned by the Association, and the payment of all principal and interest when due on all debts owed by the Association.

Section 8.02. Assessment Obligation. An Assessment against any Lot is an obligation that runs with the land and will survive any sale or transfer of the Lot to a new Owner(s) if not paid in full at closing.

Section 8.03. Accumulation of Funds Permitted. The Association will not be obligated to spend in any fiscal year all sums collected in such fiscal year by way of Regular Assessments, or otherwise, and may carry forward, as surplus, any balances remaining; nor will the Association be obligated to apply such surplus to the reduction of the amount of the Regular Assessment in any succeeding fiscal year, but may carry forward from fiscal year to fiscal year such surplus as the Board may deem to be desirable for the greater financial security of the Association and the effectuation of its purpose.

Section 8.04. Regular Assessment.

- (a) Rate. Regular Assessments are on a per Lot basis as determined levied by the Board, annually.

(b) Changes to Regular Assessments. The Association, shall have the right at any time, to adjust the regular Assessment from year to year as it deems proper to meet the reasonable operating expenses and Reserve Fund requirements of the Association in order for the Association to carry out its duties hereunder.

(c) Collections. Regular Assessments will be collected annually, in advance. The date the Regular Assessment is due will be set by the Board. Written notice of the Regular Assessment will be sent to every Owner at least thirty (30) days before its due date. The Board may establish reasonable payment procedures to allow or require payment of the Regular Assessment in installments during the Fiscal year. The Board has the authority to negotiate bad debt and the associated fees, in the best interest of a speedy settlement.

Section 8.05. Special Assessments. In addition to the Regular Assessments authorized by this Article 8, the Board may levy, with such frequency as the Board deems necessary, special Assessments on a per lot basis for the purpose of paying, in whole or in part, any operating expenses, as well as the cost of any construction, reconstruction, repair, or replacement of a capital improvement on the Common Property, on any property designated by the HOA to be a maintenance obligation of the Association, or for any other purpose benefiting the Subdivision but requiring funds exceeding those available from the regular Assessments. Written notice of the terms of the Special Assessments will be sent to every Owner.

Section 8.06. Specific Assessments. The Board will have the power to specifically assess any Owner pursuant to this Section as it, in its discretion, deems appropriate. Failure of the Board to exercise its authority under this Section will not be grounds for any action against the Association or the Board and will not constitute a waiver of the Board's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Board has not previously exercised its authority under this Section. The Board may specifically assess Owners for the following expenses, except for expenses incurred for maintenance and repair of items that are the maintenance responsibility of the Association as provided herein:

(a) expenses of the Association that benefit less than all of the Lots that may be specifically assessed equitably among all of the Lots that are benefitted according to the benefit received; and

(b) reasonable fines as may be imposed in accordance with the terms of these By-Laws.

Section 8.07. Fines. The Board may levy a fine against an Owner for a violation of the Governing Documents as permitted by law.

Section 8.08. Transfer Fees. A transfer fee or initiation fee may be charged by the Association to reflect changes of ownership, tenancy, or occupancy on the records of the Association.

Section 8.09. Delinquent Assessments. Any Assessment not paid within thirty (30) days after it is due is delinquent.

Section 8.10. Late Charges and Interest. A late charge is assessed for delinquent payments. Delinquent Assessments accrue interest at a reasonable rate within the legal limits of the law and shall be adjusted from time to time.

Section 8.11. Uniform Rate of Assessment. Both Regular and Special Assessments must be fixed at a uniform rate for all Lots.

ARTICLE 9 **COLLECTION OF ASSESSMENTS**

Section 9.01. Creation of Lien. In order to secure the payment of the Assessments, each Owner of a Lot in the Subdivision, by such party's acceptance of a deed thereto, hereby grants to the Association a contractual lien on such Lot, which may be foreclosed judicially pursuant to the provisions of Sections 209.0091 and 209.0092 of the Texas Residential Property Owners Protection Act and each such Owner hereby expressly grants the Association a power of sale in connection therewith.

Section 9.02. Subordination of Lien. The lien herein granted and reserved to the Association has priority over any other lien except:

- (a) a lien for real property taxes and other governmental assessments or charges against a Lot;
- (b) a lien or encumbrance recorded before these By-Laws are recorded;
- (c) a first vendor's lien or first Deed of Trust Lien recorded before the date on which the Assessment sought to be enforced becomes delinquent under these By-Laws or other Governing Documents; and
- (d) a lien for construction of improvements to a Lot or an assignment of the right to insurance proceeds on the Lot if the lien or assignment is recorded or duly perfected before the date on which the Assessment sought to be enforced becomes delinquent under these By-Laws or other Governing Documents.

Section 9.03. Prerequisites to Foreclosure. Prior to referring an Owner's account to a Collection Agent, the Association will provide to the Owner and any lienholders written notice, by certified mail, return receipt requested, that specifies each delinquent amount and the total amount of the payment required to make the account current, describes the options the Owner has to avoid the referral including payment plan options, and provides at least sixty-one (61) days from the date of mailing to cure the delinquency before further action is taken.

Section 9.04. Collection Fees. Owners are not liable for costs that are dependent or contingent on amounts recovered, or under an agreement that does not require the Association to pay all fees for the action taken by the Collection Agent.

Section 9.05. Costs, Attorneys' Fees, and Expenses. If the Association complies with all applicable notice requirements, an Owner is liable to the Association for all costs and reasonable attorneys' fees incurred by the Association in collecting delinquent Assessments, foreclosing the Association's lien, and enforcing the Governing Documents.

Section 9.06. Contact. An agreement between the Association and a Collection Agent may not prohibit an Owner from contacting the Association's Board of Directors or Managing Agent regarding their delinquency.

Section 9.07. Non-Transferability of Lien. The Association will not sell or transfer its interest in accounts receivable except for the purpose of collateral for a loan.

Section 9.08. Alternative Payment Schedule. Pursuant to Section 209.0062 of the Texas Residential Property Owners Protection Act, the Association hereby adopts the following guidelines with regard to alternative payment schedules for delinquent Assessments and other amounts owed by an Owner:

(a) Term. The minimum term for a payment agreement will be (3) three months and the maximum will be (18) eighteen months from the date of the Owner's request for a payment plan. Subject to such minimum and maximum terms, the Association will determine the appropriate term of the payment plan in its sole discretion.

(b) Form. Any and all alternative payment agreements will be in writing and signed by the Owner and a duly authorized member of the Board of the Association.

(c) Additional Monetary Expense. So long as an Owner is not in default under the terms of the payment agreement, the Owner will not incur additional monetary expenses; however, the Owner will be responsible for all interest accruing during the term of the payment plan as well as reasonable costs associated with administering the payment plan or interest. The Board, in its sole discretion, may waive interest accruing during the term of the payment plan as well as reasonable costs associated with administering the payment plan or interest.

(d) Application of Payments. If at the time the Association receives a payment and the Owner is not in default under an alternative payment agreement, the Association will apply the payment to the Owner's debt in the following order of priority: (i) any delinquent Assessment; (ii) any current Assessment; (iii) any attorneys' fees or third party collection costs incurred by the Association associated solely with Assessments or any other charge that could provide the basis for foreclosure; (iv) any attorneys' fees incurred by the Association that are not subject to subsection (iii); (v) any fines assessed by the Association; and (vi) any other amounts owed to the Association.

(e) Default. If the Owner defaults under a payment plan agreement, the account may immediately be turned over to the Association's attorney for collection. The Association will not be required to enter into an alternative payment agreement with

an Owner who failed to honor the terms of a previous payment agreement during the two (2) years following the Owner's default under the previous alternative payment agreement. The Association may reduce or waive some or all of the charges addressed by this policy on an *ad hoc* basis without waiving the right to charge such fees on future requests.

Section 9.09. Notice and Opportunity to Cure for Certain Other Lienholders. The Association may not foreclose its Assessment lien judicially unless it has: provided written notice by certified mail, return receipt requested, of the total amount of the delinquency to any other holder of a lien that is inferior or subordinate to the Association's lien and is evidenced by a deed of trust; and provided the recipient of the notice an opportunity to cure within sixty-one (61) days from the receipt of the notice.

Section 9.10. Foreclosure Sale Prohibited in Certain Circumstances. The Association may not foreclose its Assessment lien for debts consisting solely of fines or attorneys' fees associated with the fines assessed, or for copy charges under its Open Records Policy, pursuant to Section 209.005 of the Texas Residential Property Owners Protection Act.

Section 9.11. Assessment Lien Filing. In addition to the right of the Association to enforce the Assessments levied hereunder, the Association may file a claim of lien against the Lot of the delinquent Owner by recording a Notice of Lien setting forth (i) the amount of the claim of delinquency, (ii) the interest thereon, (iii) the costs of collection that have accrued thereon, (iv) the legal description and street address of the Lot against which the lien is claimed and (v) the name of the Owner. The Notice of Lien will be recorded in the Official Public Records of Dallas County, Texas, is a legal instrument affecting title to a Lot, and will be prepared by the Association's attorney. When all amounts claimed under the Notice of Lien and all other costs and Assessments that may have accrued subsequent to the filing of the Notice of Lien have been fully paid or satisfied, the Association will execute and record a notice of satisfaction of the delinquent Assessment upon payment by the Owner of a reasonable fee as fixed by the Board of Directors to cover the preparation and recordation of such instrument.

Section 9.12. Attorneys' Fees. All attorneys' fees, costs, and other amounts collected from an Owner will be deposited into an account maintained at a financial institution in the name of the Association or its Managing Agent. Only Board members or the Association's Managing Agent or employees of its Managing Agent may be signatories on the account. On written request from the Owner, the Association will provide copies of invoices for attorneys' fees and other costs relating only to the matter for which the Association seeks reimbursement of fees and costs, subject to the redaction of privileged information.

Section 9.13. Notice After Foreclosure Sale. After the Association conducts a foreclosure sale of an Owner's Lot, the Association must send to the Owner and to each lienholder of record, not later than the thirtieth (30th) day after the date of the foreclosure sale, a written notice stating the date and time the sale occurred and informing the Lot Owner and each lienholder of record of the right of the Lot Owner and lienholder to redeem the property. The notice must be sent by certified mail, return receipt requested, to the Lot Owner's last known mailing address, as reflected in the records of the Association, the address of each holder of a lien on the Lot subject to foreclosure

evidenced by the most recent deed of trust filed of record in the real property records of the county in which the property is located, and the address of each transferee or assignee of a deed of trust who has provided notice to the Association of such assignment or transfer. Notice provided by a transferee or assignee to the Association will be in writing, will contain the mailing address of the transferee or assignee, and will be mailed by certified mail, return receipt requested, or United States mail with signature confirmation to the Association according to the mailing address of the Association pursuant to the most recent Management Certificate filed of record. If a recorded instrument does not include an address for the lienholder, the Association does not have a duty to notify the lienholder as provided by this Section. For purposes of this Section, the Lot Owner is deemed to have given approval for the Association to notify the lienholder. Not later than the thirtieth (30th) day after the date the Association sends the notice, the Association must record an affidavit in the Official Public Records, stating the date on which the notice was sent and containing a legal description of the Lot. Any person is entitled to rely conclusively on the information contained in the recorded affidavit. The notice requirements of this section also apply to the sale of an Owner's Lot by a sheriff or constable conducted as provided by a judgment obtained by the Association.

Section 9.14. Right of Redemption After Foreclosure. The Owner of a Lot in the Subdivision or a lienholder of record may redeem the property from any purchaser at a sale foreclosing the Association's Assessment lien not later than the one hundred eightieth (180th) day after the date the Association mails written notice of the sale to the Owner and the lienholder under Sections 209.010 and 209.011 of the Texas Residential Property Owners Protection Act. A lienholder of record may not redeem the Lot as provided herein before ninety (90) days after the date the Association mails written notice of the sale to the Lot Owner and the lienholder under the Texas Residential Property Owners Protection Act, and only if the Lot Owner has not previously redeemed. A person who purchases a Lot at a sale foreclosing the Association's Assessment lien may not transfer ownership of the Lot to a person other than a redeeming Lot Owner during the redemption period.

Section 9.15. Removal of Foreclosure Authority. The right to foreclose the lien on real property for unpaid amounts due to the Association may be removed by a vote of at least sixty-seven percent (67%) of the total votes allocated in the Association. Owners holding at least ten percent (10%) of all voting interests may petition the Association and require a special meeting to be called for the purposes of taking a vote for the purposes of this section. This section is required pursuant to Section 209.0093 of the Texas Residential Property Owners Protection Act, and should this provision be amended or repealed in any form, this section will be deemed to be automatically amended or repealed in accordance therewith.

ARTICLE 10 **ENFORCEMENT OF RESTRICTIONS**

Section 10.01. Power to Enforce Restrictions Contained in Association Governing Documents. The Association or its designated agent will have the power to enforce the provisions of the Declaration, these, By-Laws, the Design Standards, and the Rules and Regulations and will take such action as the Board of Directors deems necessary or desirable to cause such compliance by each Owner and the Owner's invitees and licensees. Without limiting the generality of the

foregoing, the Association will have the power to enforce the provisions of the Governing Documents, after notice and hearing as required by law, by any one or more of the following means: (i) by entry upon any Lot within the Subdivision (unless a bona fide emergency exists in which event this right of entry may be exercised without written or oral notice to the Owner in such manner as to avoid any unreasonable or unnecessary interference with the lawful possession, use or enjoyment of the improvements situated thereon by the Owner or any other person), without liability in trespass or otherwise by the Association to the Owner thereof, for the purpose of enforcement; (ii) by commencing and maintaining actions and suits to restrain and enjoin any breach or threatened breach; (iii) by exclusion of any Owner from use of any recreational facilities within the Common Property during and for up to sixty (60) days following any breach, unless the breach is a continuing breach in which case such suspension will continue for so long as such breach continues; (iv) by levying and collecting reimbursement to the Association for the costs incurred by the Association (including, but not limited to pre-litigation attorney's fees) in connection with the remedy of such breach; (v) by levying and collecting reasonable and uniformly applied fines and penalties established in advance in the Rules and Regulations of the Association, from any Member for breach of the Governing Documents; and/or (vi) by taking action itself to cure or abate such violation and to charge the expenses thereof, if any, to such violating Owner, plus attorney's fees incurred by the Association with respect to exercising such remedy.

Section 10.02. Power of Owners to Enforce. An Owner may bring an action against another Owner to enforce, or enjoin a violation of, the Governing Documents.

Section 10.03. Duty to Provide Notice Before Enforcement Action. Before the Association may file a suit against an Owner other than a suit to collect a Regular or Special Assessment or foreclose under an Association's lien, charge an Owner for property damage, or levy a fine for a violation of the By-Laws, or the Rules and Regulations of the Association, the Association or its agent must give written notice to the Owner by certified mail. The notice (i) must describe the violation or property damage that is the basis for the charge, or fine and state any amount due the Association from the Owner, and if Owner has not been previously given notice under this section and the opportunity to exercise any rights available under this section in the preceding six (6) months, (ii) inform the Owner that the Owner is entitled to a reasonable period to cure the violation and avoid the fine if the violation is of a curable nature and does not pose a threat to public health or safety, (iii) may request a hearing under Section 209.007 of the Texas Residential Property Owners Protection Act on or before the 30th day after the date the notice was mailed to the Owner, (iv) may have special rights or relief related to the enforcement action under federal law, including the Service Members Civil Relief Act (50 U.S.C. App. Section 501 et seq.), if the Owner is serving on active military duty, (v) specify the date by which the Owner must cure the violation if the violation is of a curable nature and does not pose a threat to public health or safety, and (vi) be sent by certified mail, return receipt requested to the Owner at the Owner's last known address as shown on the Association records. The date specified in the notice under Section 10.03 must provide a reasonable period to cure the violation if the violation is of a curable nature and does not pose a threat to public health or safety. If the owner cures the violation before the expiration of the period for cure described, a fine may not be assessed for the violation. For purposes of this section, a violation is considered a threat to public health or safety if the violation could materially affect the physical health or safety of an ordinary resident. For purposes of this section, a violation

is considered incurable if the violation has occurred but is not a continuous action or a condition capable of being remedied by affirmative action. For purposes of this subsection, the non-repetition of a one-time violation or other violation that is not ongoing is not considered an adequate remedy. The following are examples of acts considered incurable for purposes of this section: (1) shooting fireworks; (2) an act constituting a threat to health or safety; (3) a noise violation that is not ongoing; (4) property damage, including the removal or alteration of landscape; and (5) holding a garage sale or other event prohibited by the Governing Documents. The following are examples of acts considered curable for purposes of this section: (1) a parking violation; (2) a maintenance violation; (3) the failure to construct improvements or modifications in accordance with approved plans and specifications; and (4) an ongoing noise violation such as a barking dog.

Section 10.04. Hearing Before Board; Alternative Dispute Resolution. If the Owner is entitled to an opportunity to cure the violation, the Owner has the right to submit a written request for a hearing to discuss and verify facts and resolve the matter in issue before a committee appointed by the Board or before the Board of Directors if a committee is not appointed. If a hearing is to be held before a committee, the notice prescribed by Section 209.006 of the Texas Residential Property Owners Protection Act must also state that the Owner has the right to appeal the committee's decision to the Board by written notice. The Association will hold a hearing under this section not later than the thirtieth (30th) day after the date the committee and/or Board receives the Owner's request for a hearing and will notify the Owner of the date, time, and place of the hearing not later than the tenth (10th) day before the date of the hearing. The committee and/or Board or the Owner may request a postponement, and, if requested, a postponement will be granted for a period of not more than ten (10) days. Additional postponements may be granted by agreement of the parties. The Owner or the committee/Board may make an audio recording of the meeting. The Owner's presence is not required to hold a hearing. The parties may agree to use alternative dispute resolution services. The requirements of this Section 10.04 shall apply to any hearing before a committee and/or the Board.

Section 10.05. Attorneys' Fees. The Association may collect reimbursement of reasonable attorneys' fees and other reasonable costs incurred by the Association relating to collecting amounts, including damages, due the Association for enforcing restrictions contained in its Governing Documents only if the Owner is provided a written notice that attorneys' fees and costs will be charged to the Owner if the delinquency or violation continues after a certain date. An Owner is not liable for attorneys' fees incurred by the Association relating to a matter described by the notice under this Section if the attorney's fees are incurred before the conclusion of the hearing; or, if the Owner does not request a hearing, before the date by which the Owner must request a hearing. All attorneys' fees, costs, and other amounts collected from an Owner will be deposited into an account maintained at a financial institution in the name of the Association or its Managing Agent. Only Board members or the Association's Managing Agent or employees of its Managing Agent may be signatories on the account. On written request from the Owner, the Association will provide copies of invoices for attorneys' fees and other costs relating only to the matter for which the Association seeks reimbursement of fees and costs, subject to the redaction of privileged information.

Section 10.06. No Waiver. The failure of the Association, or the Owner of any Lot, his or its respective legal representatives, heirs, successors, and assigns, to enforce any restrictions herein contained will in no event be considered a waiver of the right to do so thereafter as to the same violation or breach or as to any violation or breach occurring prior or subsequent thereto.

ARTICLE 11 **COMMON PROPERTY**

Section 11.01. Conveyance of Common Property. Common Property will also include all real and personal property acquired by the Association for the common use and enjoyment of the Owners, and to the extent set forth in these By-Laws, the general public.

Every Owner will have a right and easement to use the Common Property, which right will be appurtenant to and will pass with the title to every Lot upon transfer; provided, however, that no Owner will do any act that interferes with the free use and enjoyment of the Common Property by all other Owners.

The Association will maintain and replace all grass, trees, shrubbery, ground cover or other plantings, and repair and replace any sprinkling system or systems that are part of the Perimeter Wall Landscaping. The Association will pay all utility charges incurred because of the sprinkling system or systems or lighting that are part of the Perimeter Wall Landscaping, if any.

(c) The Common Property is private, and is owned and maintained by the Association. The City of Desoto has no obligation to maintain or reconstruct the Common Property; however, the City of Desoto may assume the duty of performing the maintenance of the Common Property, the Perimeter Wall and the Perimeter Wall Landscaping if the Association dissolves or in any way fails or refuses to perform its obligations in which case the City of Desoto may use the outstanding balance of the reserve fund for maintenance of the Common Property, the Perimeter Wall and the Perimeter Wall Landscaping or to make the Common Property suitable for public use. In the event the outstanding balance of the reserve fund is

insufficient to cover this cost, the City of Desoto may levy an assessment upon each Lot on a pro rata basis for the cost of performing the maintenance obligations.

ARTICLE 12

Not later than the tenth (10th) business day after the date a written request for Subdivision information is received from an Owner or the Owner's agent, a purchaser of a Lot or Lots in the Subdivision or the purchaser's agent, or a title insurance company or its agent acting on behalf of the Owner or purchaser, and the evidence of the requestor's authority to order a resale certificate is received and verified, the Association will deliver to the Owner or the Owner's agent, the purchaser or the purchaser's agent, or the title insurance company or its agent a current copy of the Declaration, these By-Laws, the Design Standards, and the Rules and Regulations of the Association and a resale certificate prepared not earlier than the sixtieth (60th) day before the date of delivery that complies with Texas Property Code Section 207.003, as the same may be amended in whole or in part, and any successor statutes. For a request from a purchaser of property in the Subdivision or the purchaser's agent, the Association may require the purchaser or purchaser's agent to provide to the Association, before the Association begins the process of preparing or delivers the items listed, reasonable evidence that the purchaser has a contractual or other right to acquire property in the Subdivision. A resale certificate must contain a statement of any right of first refusal, other than a right of first refusal that is prohibited by statute, and any other restraint contained in the Governing Documents that restricts the Owner's right to transfer the Owner's Lot, the frequency and amount of Regular Assessments and reserve fund fees, the amount and purpose of any special Assessment that has been approved before and is due after the resale certificate is delivered, the total of all amounts due and unpaid to the Association that are attributable to the Owner's Lot, capital expenditures, if any, approved by the Association for the current Fiscal year, the amount of reserves, if any, for capital expenditures, the Association's current operating budget and balance sheet, the total of any unsatisfied judgments against the Association, the style and cause number of any pending lawsuit in which the Association is a party, other than a lawsuit relating to unpaid *ad valorem* taxes of an individual member of the Association, a copy of a certificate of insurance showing the Association's property and liability insurance relating to the Common Property, a description of any conditions on the Owner's Lot that the Board has actual knowledge are in violation of the Declaration, these By-Laws, or the Rules and Regulations, a summary or copy of notices received by the Association from any governmental authority regarding health or housing code violations existing on the preparation date of the resale certificate relating to the Owner's Lot or any Common Property the amount of any administrative or transfer fee charged by the Association or its Managing Agent for a change of ownership of Lots in the Subdivision, the name, mailing address, and telephone number of the Association's Managing Agent, a statement indicating whether the restrictions allow foreclosure of the Association's lien on the Owner's Lot for failure to pay Assessments, and a statement of all fees associated with the transfer of ownership, including a description of each fee, to whom each fee is paid, and the amount of each fee. The Association may charge a reasonable fee to assemble, copy, and deliver the information required by this Section and may charge a reasonable fee to prepare and deliver an update of a resale certificate. The Association may require payment before beginning the process of providing a resale certificate but may not process a payment until the resale certificate is available for delivery. The Association

may not charge a fee if the resale certificate is not provided in the time prescribed. The Association will deliver the information required to the person specified in the written request. A written request that does not specify the name and location to which the information is to be sent is not effective. The Association may deliver the information required and any update to the resale certificate by mail, hand delivery, or alternative delivery means specified in the written request. Neither the Association nor its Managing Agent is required to inspect a Lot before issuing a resale certificate or an update. Not later than the seventh (7th) business day after the date a written request for an update of a resale certificate is received from an Owner, Owner's agent, or title insurance company, the Association will deliver to the Owner, Owner's agent, or title insurance company or its agent an updated resale certificate that contains the following information: if a right of first refusal or other restraint on sale is contained in the Governing Documents, a statement of whether the Association waives the restraint on sale; the status of any unpaid regular or special Assessments, Reserve Fund fees, dues, or other payments attributable to the Owner's Lot(s); and any changes to the information provided in the resale certificate issued previously. ARTICLE 13 **DURATION AND AMENDMENT**

Section 13.01. Duration. The provisions hereof will run with and bind the Property and be binding upon all Owners and persons claiming under them for perpetuity.

Section 13.02. Amendments by Owners. Amendments to these By-Laws may be proposed by any Member or group of Members. To accomplish amendment, the procedures detailed below must be rigidly followed:

- (a) Proposed amendments shall be presented in basic form as a written motion at an Annual Meeting or Special Meeting of the Members.
- (b) If the motion is seconded and passed by a simple majority vote of the Association Members attending the meeting, a copy of the basic form of the proposed amendment shall be submitted to the Board of Directors and filed with the Secretary.
- (c) Upon receipt of the proposed amendment, the Board of Directors shall review, analyze and, if necessary, modify it so as to eliminate any ambiguities or inconsistencies with other provisions in these By-Laws.
- (d) After Board's review above, these By-Laws may be amended by the written agreement or by signed ballots voting for such of not less than sixty-seven percent (67%)

of the Owners in the Subdivision entitled to vote on the amendment of these By-Laws. There will be one (1) vote per Lot. Anyone owning more than one Lot will have one (1) vote for each Lot owned. The date an Owner's signature is acknowledged will constitute *prima facie* evidence of the date of execution and adoption of said amendment by such Owner. Any such amendment will become effective when an instrument is filed for record in the Official Public Records of Dallas County, Texas, accompanied by a certificate, signed by a majority of the Board of Directors, stating that the required number of Members voted in favor of the instrument amending these By-Laws or cast a written vote, in person or by proxy, in favor of said amendment at the meeting called for such purpose.

- (a) to resolve or clarify any ambiguity or conflicts herein, or to correct any inadvertent misstatements, errors, or omissions herein;
- (b) to conform these By-Laws to the requirements of any lending institution; provided, the Board has no obligation whatsoever to amend these By-Laws in accordance with any such lending institution requirements, and the Board may not so amend these By-Laws if, in the sole opinion of the Board, any substantive and substantial rights of Owners would be adversely affected thereby;
- (c) to conform these By-Laws to the requirements of any governmental agency, and in this respect, the Board will so amend these By-Laws to the extent required by law upon receipt of written notice of such requirements and request for compliance;
- (d) to amend the Rules and Regulations of the Association, if the Board deems appropriate to comply with the scheme of the By-Laws and the Subdivision; and
- (e) to amend the alternative payment schedule for certain Assessments, open records policy, records retention policy, and/or other policies to comply with the Texas Residential Property Owners Protection Act.

ARTICLE 14
MISCELLANEOUS

Section 14.01. No Reverter. No restriction herein is intended to be, or will be construed as, a condition subsequent or as creating a possibility of reverter.

Section 14.02. Severability. A determination by a court that any provision hereof is invalid for any reason will not affect the validity of any other provision hereof.

Section 14.03. Headings. The headings of the Articles and Sections hereof are for convenience only and will not affect the meaning or interpretation of the contents of these By-Laws.

Section 14.04. Gender. Throughout these By-Laws, the masculine gender will be deemed to include the feminine and neuter, and the singular, the plural, and vice versa.

Section 14.05. Notices. Any notice required or permitted by the Governing Documents must be in writing. To the extent required by law, notices regarding remedial rights must be given by certified mail, return receipt requested. All other notices may be given by regular mail. Notice is deemed delivered (whether actually received or not) when properly deposited with the United States Postal Service, addressed to a Member, at the Member's last known address according to the Association's records, and the Association, the Board, the ARC, or Managing Agent at the Association's principal office or another address designated in a notice to the Members. Unless otherwise required by law or the Governing Documents, actual notice, however delivered, is sufficient.

Section 14.06. No Liability. The HOA has, using best efforts and all due diligence, prepared and recorded these By-Laws so that each and every Owner will have the right and the power to enforce the terms and provisions of these By-Laws against every other Owner. However, in the event that these By-Laws is, for any reason whatsoever, unenforceable by an Owner (or any other person) in a court of law or otherwise, the HOA will have no liability of any kind as a result of such unenforceability, and each and every Owner, by acceptance of a deed conveying a Lot, acknowledges that the HOA will have no such liability.

Section 14.07. Insurance.

(a) At all times during the term of these By-Laws, the Association, its successors and assigns, will be required to keep all improvements located on the Common Property fully insured by a reputable insurance company authorized to transact business in the State of Texas with (i) fire, vandalism, malicious mischief and extended coverage insurance in an amount adequate to cover the cost or replacement of such improvements in the event of loss of any and/or all of such improvements, fixtures and contents thereof; and (ii) public liability insurance in such amounts as will be determined by the Board of Directors as appropriate for the Common Property.

(b) Immediately after the damage or destruction by fire or other casualty to all or any portion of any improvement covered by insurance written in the name of the Association, the Board or its duly authorized agent will proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the costs of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this paragraph, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other casualty.

Any damage or destruction will be repaired or reconstructed unless, within sixty (60) days after the casualty, at least seventy-five percent (75%) of the total Members entitled to vote thereon, and the HOA, otherwise agree. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within such period, then the period will be extended until such information will be made available; provided, however, such extension will not exceed one hundred twenty (120) days. No mortgagee will have right to participate in the determination of whether damage or destruction will be repaired or reconstructed.

If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board may, without the necessity of a vote of the Members, levy a special Assessment. Additional Assessments may be made in like manner at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the costs of repair or reconstruction or if the improvements are not repaired or reconstructed, such excess will be deposited for the benefit of the Association.

In the event that it should be determined by the Association in the manner described above that the damage or destruction will not be repaired or reconstructed and no alternative improvements are authorized, then in that event the property will be restored to its natural state and maintained as an undeveloped portion of the Subdivision in a neat and attractive condition.

Section 14.08. Indemnification and Hold Harmless.

(a) The Association will indemnify every officer and Director against any and all expenses, including attorney's fees reasonably incurred by or imposed upon any officer or Director in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which he or she may be a party by reason of being, or having been, an officer or Director. The officers and Directors will not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct or bad faith. The officers and Directors will have no personal liability with respect to any contract or other commitment made

by them, in good faith, on behalf of the Association (except to the extent that such officers or directors may also be Members of the Association), and the Association will indemnify and forever hold each such officer and Director free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein will not be exclusive of any other rights to which any officer or Director, or former officer or director, may be entitled. The Association will, as a common expense, maintain adequate general liability and officers' and directors' liability insurance to fund this obligation.

(b) Each Owner will be liable to the Association for any damage to the Common Property of any type or to any equipment thereon that may be sustained by reason of the negligence of said Owner, his tenants, employees, agents, customers, guests, or invitees, to the extent that any such damage will not be covered by insurance. Each Owner does further, by the acceptance of a deed, agree to indemnify each and every other Owner, and to hold harmless each and every other Owner, from any claim of any person for personal injuries or property damage occurring within or upon his Lot.

(c) THE ASSOCIATION AGREES TO FULLY INDEMNIFY, HOLD HARMLESS AND DEFEND THE CITY OF DESOTO, ITS OFFICERS, AGENTS, AND EMPLOYEES, FROM ANY AND ALL CLAIMS, LAWSUITS, JUDGMENTS, COSTS, OR CAUSES OF ACTION OF ANY NATURE WHATSOEVER, WHETHER REAL OR ASSERTED, BROUGHT FOR OR ON ACCOUNT OF ANY INJURIES OR DAMAGES TO PERSONS OR PROPERTY INCLUDING DEATH, RESULTING FROM OR IN ANYWAY CONNECTED WITH THE CONSTRUCTION, MAINTENANCE OR OPERATION OF THE COMMON PROPERTY.

ARTICLE 15 **CONDEMNATION**

Section 15.01. Condemnation or Other Governmental Taking. If all or any part of the Common Property is taken by any authority having the power of condemnation or eminent domain, or is conveyed in lieu thereof by the Association with the approval of at least sixty-seven percent (67%) of the Members entitled to vote, the award or proceeds made or collected for such taking or sale in lieu thereof are payable to the Association. The Association will disburse or hold such award or proceeds as follows:

(a) If the taking or sale in lieu thereof involves a portion of the Common Property on which improvements have been construed, then, unless within sixty (60) days after such taking, the HOA, together with at least sixty-seven percent (67%) of the Members entitled to vote, decide otherwise, the Association will restore or replace the improvements to the extent practicable, on other existing Common Property, in accordance with the plans approved by the Association and the ARC. If the awards or proceeds are not sufficient to defray the cost of repair and replacement of the

improvements and such deficiency cannot be appropriated from a reserve fund established for such purpose, the Association may levy one or more Special Assessments, in an amount sufficient to provide funds to pay such excess cost of repair or reconstruction. If such improvements are not repaired or restored, the Association will retain the award or proceeds for the benefit of the Association;

(b) If the taking or sale in lieu thereof does not involve any improvements to the Common Property, or if there are excess funds remaining after any restoration or replacement of the improvements, then the Association will retain the award, proceeds, or excess funds for the benefit of the Association; and

(c) If the taking or sale in lieu thereof includes all or any part of the Common Property, then a court of competent jurisdiction will apportion such award or proceeds between the Association and the Owners of the other property taken so as to give just compensation to each. In lieu of seeking judicial apportionment, (i) the Association, (ii) the Owners and their lenders of all Lots wholly or partially taken, and (iii) the HOA, may mutually agree on the method of apportionment.

Section 15.02. Condemnation of Lots.

(a) If all or any part of a Lot is taken by an authority having the power of condemnation or eminent domain, or is conveyed in lieu thereof, and the Owner elects not to restore the remainder of the Lot, then the Owner will promptly remove any remaining improvements damaged or destroyed by such taking or conveyance and will leave the Lot in a clean, orderly, safe, and sightly condition. In addition, if the size or configuration of the Lot remaining after such taking or conveyance is insufficient to permit the restoration of the remaining improvements thereon or therein to their condition prior to such taking or conveyance in compliance with all applicable standards, restrictions, and provisions of these By-Laws and all applicable zoning, subdivision, building, and other governmental regulations, then the Owner, after removing all remaining improvements and placing the Lot in a clean, orderly, safe, and sightly condition, may deed the remaining portion of the Lot to the Association as a part of the Common Property. Upon the conveyance by an Owner of his remaining portion of a Lot, the Owner will not be a Member.

(b) If any part of a Lot is taken by any authority having the power of condemnation or eminent domain, or is conveyed in lieu thereof, and the Owner elects to restore the remainder of the Lot, then the Owner will restore the remainder of the Lot in nearly as practicable to the same condition it was in prior to such taking or conveyance and in accordance with all applicable standard, restrictions, and provisions of these By-Laws and all applicable zoning, subdivision, building, and other governmental regulations. The Owner will commence the restoration within sixty (60) days after the taking or conveyance and will proceed diligently in a good and workmanlike manner to completion.

The HOA has caused these By-Laws to be duly executed as provided in the acknowledgment set forth hereinafter, but to be effective as of the date that these By-Laws is filed of record in the Official Public Records of Dallas County, Texas.
